DOCBOX2GO

FREQUENTLY ASKED QUESTIONS

What is DocBox2Go?

DocBox2Go gives you mobile access to all of your files in DocBox and TransactionDesk, including Instant Forms saved in transactions. DocBox2Go provides access to Transaction files, your InBox and MyFolders. Documents and Forms can be viewed, emailed and faxed from your mobile device.

How much does it cost?

It's included with DocBox and TransactionDesk accounts.**

When is it available?

Now! Login and start taking advantage of this valuable service today!

Will it work on my mobile device?

DocBox2Go is mobile browser based and does not require installation or downloads. DocBox2Go is not device specific – it will work on Blackberrys, Windows Smartphones, iPhones and virtually any other Smartphone/PDA with a mobile browser.

Do I need a separate fax account to fax from DocBox2Go?

No, unlimited outbound faxing is included with DocBox2Go.**

What do I need to do to set-up my account?

Simply login to your main computer based account – You may know the service as InstantForms, DocBox or TransactionDesk. Go to the Settings tab and navigate to My Preferences and then Password Management to set your password. Then navigate to docbox2go.com on your mobile device and login.

DocBox2Go looks great. How easy is it to use in the field?

It's as simple as accessing your web browser on your Smartphone. If you can get Internet coverage, you can start working.

I need to send information to multiple people. Can I do that?

Yes, DocBox2Go is as simple to use as DocBox on your computer. You can email or fax the documents requested from your Smartphone to as many people as you need.
