

Instanet Forms is the Leading Forms Solution

Instanet Forms™ has over 365,000 actively licensed users covering more than 100 REALTOR® Associations.

FORM HIGHLIGHTS

FULLY WEB BASED

No big downloads - ever. Use from virtually any computer with internet access.

FULLY INTERGRATED WITH AUTHENTISIGN

Easy online e-signatures can be added as a simple upgrade.

FAST FORMS TURNAROUND

We can get you up and running fast.

VERY COMPETITIVE PRICING

Let us prove it!

MLS AND PUBLIC RECORD INTEGRATION

Saves your members countless hours of redundant entry.

SECURE

We are REALTOR® Secure designated.

FREE WITH TRANSACTIONDESK™

Instanet Forms is included with every TransactionDesk account.

On-line Negotiation

Allows forms to be sent between parties, interactively negotiated and tracked online. A full audit trail of all changes and modifications is kept for each contract and form created in the service.

Include a Database of Clauses

Stores commonly-used clauses and stipulations.

Multiple Fonts, Colors, and Sizes

Users can select from 14 different fonts, 10 colors and 8 font sizes for their contracts. The auto-size feature will shrink longer text to fit within the text input area on a contract.

Watermarks

Can be embedded directly onto each page of a user's forms.

Quick Start Groups

Make your own form packets and insert multiple forms into a transaction automatically, instead of adding the same individual forms to many transactions.

Complete Form History

Each form is tracked for creation, history and access. All dates are logged into the system to automatically create a paper trail.

Instanet Forms can be purchased as an individual package or as part of our complete suite of products.
