

- Agents send relevant money saving offers to their clients exactly when they need them.
- Agents and Brokerages maintain top-of-mind awareness with clients by providing offers that save them money.
- Agents and Brokerages keep their brand in front of consumers throughout the entire transaction and afterwards.
- The service is completely free for the consumer, agent and brokerage.

How it works:

- 1.) Agents invite clients to receive valuable FREE offers when starting a transaction using TransactionDesk®.
- 2.) Discounts and coupons from national and local brands are emailed to the consumer.
- 3.) All emails sent are completely branded to the brokerage and agent.
- 4.) Agent and Broker Dashboard widgets available to maintain options and track emails sent.
- 5.) Complete privacy of consumer and transaction information is guaranteed. Information is NEVER shared, sold or made available to 3rd party vendors.
